

Fall 2009 Instructional Schedule (modified 10/26/09)

All our fields will be set up in in the practice football field. Our Field 1 will be closest to the High School, Field 3 will be furthest from the School. In case they get set up differently I will try and come up with a way to identify them. Else please work it out between the coaches.

Coaches with 10:00 games please collapse the nets, secure the pins to them and place the nets at the small building near the entrance. Please secure the pins as we have lost some already. Thanx.

Picture Day times are slightly shifted. There will be early and late games but not all games will start at the same time
